

COURSE AGENDA

Day 1 Morning:

- Introductions & Objectives
- Other EM Methods & Origins

Day 1 Afternoon:

- Lightning Analysis Process
- Geothermal Lightning Project & Field Trip 30 mile away

Day 2 Morning:

- Lightning Derived Maps
- Lightning Derived Volumes

Day 2 Afternoon:

- Time-Lapse Lightning Analysis
- Aquifer Lightning Project & Field Trip 120 miles away

Day 3 Morning:

- Oil & Gas Exploration Examples

Day 3 Afternoon:

- Mineral Exploration Examples
- Class Choice Geology Field Trip and / or Rock Hounding

- Using the Most Powerful Geophysical Energy Source: Lightning
- Exclusive Rights to Worldwide Evergreen Lightning Databases
- Customer Provides Area-of-Interest
- Dynamic Orders, Cleans, Processes, & Interprets the Lightning Data
- Dynamic Provides Maps & 4-D Volumes
- Easy Integration with Existing Data
- Faster, Safer, Cheaper Geophysics
- No Permitting, No Regulation, No Boots-on-the-Ground

2021 Course Schedule

Lightning Analysis Basics

12 Opportunities in 2021:

- January Evaluations
- Postponed – by the first of month need 5 registrations
- Private Course Tijuana
- May 18-20
- June 15-17
- July 13-15
- August 17-19
- September 14-16
- October 12-14
- November 16-18
- December 14-16

INSTRUCTOR: H. Roice Nelson, Jr.

Mapping geology anywhere by data mining exclusively licensed lightning strike databases using patented technologies on standard workstations

COURSE LENGTH: 3 Days

COURSE: Lightning Analysis Basics

PRICE

Includes:

- Continental Breakfast (T, W, Th, F)
- Lunch (T, W, Th)
- Dinner (T, W, Th)
- Snacks
- Transportation 3 Field Trips (T, W, Th)
- Entertainment (Monday Night)
- Rock Hounding / Collecting

**\$2,880 each attendee +
Hotel & Transportation**

(minimum 14 students per class)

To Reserve Tickets:

CALL: Leslie Dodge at 435.851.6434 or
E-MAIL: les@ironspringsutah.com or
ON-LINE: www.ironspringsutah.com/classes-workshops

Please Specify when you plan to arrive and leave, and if you want us to arrange housing and/or transportation from Las Vegas, Salt Lake, St. George, or Cedar City Airports

**100% of Course Price is credited towards
your first Lightning Analysis Project**

Lighting Analysis Addresses These Exploration Challenges

- Limited Finances
- Expensive Methods
- Regional High-Grading of Leads
- Long Prospect Generation Process
- Safety Requirements
- Government Regulations
- Invisible Resources

Lightning Analysis is Quicker, Safer, and Cheaper than any other geophysical data type!

Red Hill Backthrust (11 miles)

Kolob Canyons (22 miles)

Cedar Breaks National Monument (32 miles)

COURSE LOCATION

Iron Springs Adventure Resort
Conference Center:

- <https://www.ironspringsutah.com>
- 3196 North Iron Springs Road, Cedar City, Utah 84720
- info@ironspringsutah.com
- 435.708.0101

Stay On-Site (4-Nights 15% Discount):

- Luxury Lodge Suites
- RV Sites
- Luxury Mining Cabins

Stay in Cedar City (10 miles) or Brian
Head Ski Resort (43 miles)

**Hiking,
Biking,
ATV's**
