Dear Kathleen,

Congratulations! You have been selected to receive the First Place Grover E. Murray Best Published Paper Award for your paper, "Aquifers, Faults, Subsidence, and Lightning Databases" published in the 2014 GCAGS *Transactions*.

Primary authors will receive a plaque at the Opening Session and Awards Ceremony of the 2015 GCAGS Convention in Houston, Texas on September 20th at the George R. Brown Convention Center.

It is important that you send a fairly high-resolution photo (600 dpi head shot is preferable) and short bio to Kate Kipper, gcags.mail@gmail.com, as soon as possible, but no later than March 16th for publication in the 2015 *Transactions*. Bios and photos are needed for both primary authors and secondary authors, so please inform your secondary authors of this request.

We look forward to seeing you in Houston!
